CORONAVIRUS PREVENTION (COVID-19)
Actions to help prevent the spread of respiratory illness

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Cover coughs and sneezes with a tissue, and throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
- Stay home when sick.
- Avoid close contact with people who are sick.
- Don't share food, beverages or smoking devices with others.
- If you are experiencing symptoms of respiratory illness, call SFA’s Health Services at (936) 468-4008 from 8 a.m. to 5 p.m. Monday through Friday.
- If you have an emergency, call 911.
