CORONAVIRUS PREVENTION (2019-nCoV)
Actions to help prevent the spread of respiratory illness

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.

Avoid touching your eyes, nose and mouth with unwashed hands.

Cover coughs and sneezes with a tissue, and throw the tissue in the trash.

Clean and disinfect frequently touched objects and surfaces.

Stay home when sick.

Avoid close contact with people who are sick.

Don’t share food, beverages or smoking devices with others.

If you are experiencing symptoms of respiratory illness, call SFA’s Health Services at (936) 468-4008 from 8 a.m. to 5 p.m. Monday through Friday.

If you have an emergency, call 911.
