Total Hours		124			

~A maximum of 66 hours plus 4 hours KINE activity courses from a community college can be applied to a bachelors degree.

SFA in-residence policy requires taking a minimum of 30 hours of advanced (3000-4000 level) SFA coursework.

18 hours of advanced level courses (3000-4000 level) are required in the major discipline (minimum of 12 hours in-residence).

For students seeking a post-baccalaureate degree, it is their responsibility to determine the correct pre-requisites needed for their respective program.

This handout is for informational purposes only and is not to be used as precise guide for registration. Students at SFA are required to meet with an advisor every semester, as course availability does change and certain courses might not be offered on an ideal rotational basis.
