

## Shelton Hall Signage and Wall Graphics

Stephen F. Austin State University is seeking informal bids for providing signage in the following locations. The designs created for these spaces need to be approved by SFA Athletics before installation. Wall graphics will need to feature SFA logos and/or background images.

Response requested by 12 p.m., 10/29/2024.

### 1. Bleacher Stands Back Wall Sign Panels (Qty: 1)

Full color digital printed 18 PVC sign panels to replace old vinyl graphics on back wall behind bleacher seating on both home and visitor's sides. Sign panels to be installed with double sided adhesive strips and small finishing nails. The majority of each graphic section will be 60"H X 219"W with the exception of two that are 210" W (home side) and 93" (visitor side). There are 6 panels on each side of the stadium.
